About Joe

Joe received a B.S. degree in Business from Utah State University. As he really didn’t enjoy work that followed, he returned to school and received an M.S. in Management Information Systems from the same university. He began teaching in 2000 and has enjoyed it ever since. He finished a Ph.D. in Computer Science at the University of Louisville in 2007.

Joe was raised in Utah. He has 4 children.

Courses Joe Teaches

Computer Science

- **CS 1400: Fundamentals of Programming**—Introduction to computer programming.
- **CS 1410: Object Oriented Programming**—Programming with objects.

Information Technology

- **IT 2400: Introduction to Networking**—Introduction to networking.
- **IT4200: Advanced Web Delivery**—How to appropriately deliver web content.
- **IT4400: Network Design and Management**—Cisco router and switch configuration (LAN)
- **IT4500: Information Security**—Security of computers and networks
