Russ Ross, PhD
Associate Professor of Computer Science
Email: russ@russross.com
Phone: 435-652-7971
Office: North Burns 226
Office hours: MW 10 am–noon, F 10 am–11 am

About Russ
Russ was first introduced to computer programming at the age of 10, and he has been a student of computer science ever since. A native of southern Utah, Russ graduated from Pine View High School in 1995 as valedictorian and a National Merit Scholar. He moved to Massachusetts to attend Harvard University, where he graduated magna cum laude in Computer Science in 2001. He worked as a software engineer in the Boston area before moving to England, where he received a PhD in Computer Science from the University of Cambridge in 2007.

Russ lives in Diamond Valley with his wife, Nancy, and their two daughters.

Courses Russ Teaches

Computer Science

- **CS 2810: Computer Organization and Architecture**—Low-level computing fundamentals.
- **CS 2450: Software Engineering**—Building reliable software
- **CS 3400: Operating Systems**—Principles and implementation of operating systems.
- **CS 3410: Distributed Systems**—Networked and distributed systems.
- **CS 3520: Programming Languages**—Programming methodologies in different languages.
- **CS 3530: Computational Theory**—Theory of formal systems including automata, computability, and complexity.
- **CS/WEB 4010: Interactive Web Development**—Using JavaScript and related technologies for interactive web applications.
