**NO FOOD OR DRINK** on the desks or tables. This is a computer classroom, food and/or drink can cause serious damage.

**Other Useful Stuff**

**College approved absences:**

Dixie College Policy explains in detail what needs to happen if you anticipate being absent from class because of a college-sponsored activity [athletic events, club activities, field trips for other classes, etc]. Please read this information and follow the instructions carefully! The policy can be found at: [http://www.dixie.edu/humanres/policy/sec5/523.html](http://www.dixie.edu/humanres/policy/sec5/523.html)

**Dmail:**

Important class and college information will be sent to your Dmail account. This information includes your DSC bill, financial aid/scholarship notices, notification of dropped classes, reminders of important dates and events, and other information critical to your success in this class and at DSC. All DSC students are automatically assigned a Dmail account. If you don’t know your user name and password, go to [www.dixie.edu](http://www.dixie.edu) and select Dmail, for complete instructions. You will be held responsible for information sent to your Dmail email, so please check it often.

**Disability Accommodations:**

Students with medical, psychological, learning or other disabilities desiring reasonable academic adjustment, accommodations, or auxiliary aids to be successful in this class will need to contact the DISABILITY RESOURCE CENTER Coordinator [Baako Wahabu] for eligibility determination. Several college resources are available to help you succeed. Check out the links for each one to get more information.

- If you need help writing papers, go to the Writing Center in the Browning Learning Center, Room 105. You can also visit them online at http://new.dixie.edu/english/dsc_writing_center.php

- The Library has all kinds of information and resources. Visit the Val Browning Library or go to the library website at http://library.dixie.edu/

Classroom expectations:

It is the responsibility of an instructor to manage the classroom environment to ensure a good learning climate for all students. This means not talking when the teacher is talking, following instructions, and speaking and acting respectfully to the professor and fellow students. If your behavior is disruptive, I will first let you know verbally that you are behaving inappropriately. If it continues, I will send you written notice that your behavior must change. As a last resort, I will drop you from the class. For more details, please see the disruptive behavior policy at: http://www.dixie.edu/humanres/policy/sec3/334.html

Academic honesty:

I believe that most students are honest, and I don’t want to punish everyone for the few that aren’t. However, I will not tolerate cheating, and if I discover that it has occurred, a zero grade will be given for that assignment or exam, and you will not be allowed to make it up. Repeated or aggravated offenses will result in failing the course.

Any time you take credit for work you did not do, you are cheating. This includes getting the answers to homework problems from someone else, copying information from a library or internet source and presenting it as if it were your own words [plagiarism], looking at someone else’s answers on an exam, and asking someone who has already taken a test about what questions it contains. I have tried to design assignments and exams to minimize the temptation to cheat, but it is not my job to prevent you from cheating. If you cheat and are not caught, it doesn’t mean that you “beat the system.” It means you violated the Student Code and forfeited your integrity, whether or not you are caught. You will pay the price, sooner or later. I can promise you that it is better to fail an assignment or even a class than to cheat and lose the chance to continue your education. (See Student Code http://library.dixie.edu/policies/studentcodesectionfour.pdf page 8).

Title IX:

DSU seeks to provide an environment that is free of bias, discrimination, and harassment. If you have been the victim of sexual harassment/misconduct/assault we encourage you to report this to the college’s Title IX Director, Cindy Cole, (435) 652-7731, cindy.cole@dixie.edu. If you report to a faculty member, she or he must notify the Title IX Director about the basic facts of the incident.
