FALL 2015 CATALOG

NEW CLASSES AND CHANGES

DES 3620 is now DES 2710 – Typography
If you have any problems registering for this class or DES 3710: Advanced Typography, contact an advisor.

CS 2450 – Software Engineering
Now offered Fall and Spring

CS/IT/WEB 4990 – Django, taught by Dan Purcell
Prereqs: CS 1410, WEB 1400
Sign up for the section under your degree.

CS 3020 – iOS App Development, taught by Russ Ross
New class offered Fall 2015!

IT 4991 – Chef, taught by Jared Everett
Prereqs: CS 1410, IT 2400
Recommended: IT 3100, IT 3110

CS 3520 - Programming Languages
This class previously was not showing in the catalog, but it is being offered and is in the catalog now.

FOR STUDENTS ON THE VT DEGREE

VT/DES 3200 – Portfolio Preparation
This class will no longer be offered. It is required on the VT degree, but you can now take one of the following classes in its place:

- ART 3300 – Graphic Design Problems (Fall)
- ART 4750 – Packaging Design (Spring)
- DES 3710 – Advanced Typography (Fall)
- DES 3780 – PrePress and Print Production (Spring)
- DES 3800 – Corporate Identity (Fall)
- DES 4650 – Publication Design (Spring)

VT students do not need IT 4300 to take WEB 4000. Contact an advisor to get into the class.
